

Maria Parham Health is driven by our mission of *making communities healthier*.[®] We are dedicated to providing high-quality care close to home and investing in our region's overall well-being. Our teams are committed to embodying our core values and improving the health of all those we serve. We feel privileged to be part of this community, and we take seriously the role we play in providing compassionate, accessible care to patients and their families.

With the support of Duke LifePoint Healthcare and community partners like you, we continue to advance our mission and create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work. We look forward to further enhancing how we serve our neighbors today and for generations to come. Thank you.

Bert Beard,
Market President and CEO

2023 Community Benefits

Added 67 employed and independent providers

Made more than \$1.6 million in capital improvements

Distributed a payroll of \$68,325,823 to approximately 770 employees

Donated nearly \$63.6 million in services to those in need

Paid \$13,279,020 in taxes

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in anesthesiology, behavioral health, cardiology, family and emergency medicine, gastroenterology, genetic counseling, neurology, OB/GYN, oncology, orthopedics, pediatrics, psychiatry, radiology, wound care and more.

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included an ultrasound machine for Women's Health, new orthopedic workstations for blood testing and we opened our new Franklin County physician office.

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and services.

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

Maria Parham Health was visited by two of North Carolina's legislators to tour our facility and discuss healthcare in our community and state.

House Representative Frank Sossamon presented a \$5 million check at Maria Parham Health to the Granville-Vance Health Department on behalf of the North Carolina General Assembly.

Maria Parham leadership and team members wore green in recognition of our third consecutive Leapfrog Grade "A"!
